Text:

This is the preferred edition. Having this edition will allow you to quickly find passages to which we refer in class, and it contains supplemental material that I will suggest as reading, though not require it.

Reading Schedule:

Readings are to be completed before each class session.

- **June 2** Books 1 and 2
- **June 9** Books 3 and 4
- **June 16** Books 5 and 6
- **June 23** Books 7 and 8
